

Parking Instructions for Dance Parties at Chatswood RSL

Chatswood RSL Club Members can park underneath the RSL (enter via Thomas Street) however you need to have a white parking card from the club (not just your membership card) to get in and spaces are VERY LIMITED so it's unlikely you will get one unless you get there before the party starts.

Plenty of FREE additional parking is available for club members at the Enacon Parking Station on Brown Street, next to The Avenue wine bar just a 2 minute walk from the Victoria Avenue entrance (see flyer & photo below).

To get the free parking, you must enter the car park after 3pm. Take a ticket at the boom gate on entry and then have it validated when you come into the RSL. Note this is only for club members, however you can join the club AFTER you park and still get your ticket validated. Membership is \$5.50 for one year and you'll get a free drink voucher and various other meal discounts on the spot with that too.
